В Великобритании есть несколько излюбленных мест отдыха. Одно из них — Озёрный край (The Lake District). Это одно из самых красивых мест в стране, где горы и холмы соседствуют с озёрами и долинами. Озёрный край всегда привлекал туристов и поэтов. В памяти людей он прочно связан с именем Уильяма Вордсворта (William Wordsworth), поэта-романтика, который жил в XVIII—XIX вв. и очень любил Озёрный край. Он часто писал о нём в своих стихах.
